A SPARKLING SEND-OFF

1. The couple made their getaway in Tracy's family's vintage Rolls-Royce. 2. Floral arrangements were scattered throughout Keswick Hall. Most included dahlias, hydrangeas, astilbes, clematis vines, and quicksand roses. 3. A four-tiered confection by Favorite Cakes alternated layers of lemon cake with blackberry filling and pumpkin-spice cake with pumpkin-cream filling. It was frosted with vanilla buttercream and decorated with gilded laurel leaves. 4. The bride changed into a Jenny Packham dress for dancing and a sparkler-lit kiss before leaving the party.
